“ Charles I was very sad when I heard the news about Wanda. I have always counted you and Wanda as good friends, I know where she is and she is all right but I know how you feel and my heart goes out to you, I wish I had words for you that would take all the hurt away but I know there is no words that can do that. I count you as my friend and I love you I am going to keep you and your children in my prayers. I was not able to come to the viewing but I hope to see you soon. I love you my brother. Larry D.
