“ it's still so surreal that you're not here, still so hard to accept, I see the pain in William and Scarlett from losing you, and I can't take heartbreak away , much as I wish I could. I'm so sorry that I wasn't a better husband to you, and father to the amazing kids you gave me, and I continue to carry the grief and regret . I appreciate you for your attention to detail in the little things. you were one of the few that got my sense of humor. Scarlett said it best at the funeral when everyone left, "you deserved better"
