Tribute Wall

“ I met Wendy 20 years ago as a neighbor inquiring on her beautiful plants in her yard. She came to visit me the next day with a potted Artemisia plant she had divided for me . We become fast friends and over the years we went on plant shopping trips and helped in each other’s yards. We shared plants with each other , our trials and joys of our lives and would get advice from each other . I loved her like a sister. She has been a light in my life and gone too soon . My deepest sympathy for Wendy’s family . I am truly going to miss her
