“ *Kathy:
We were so sorry to hear of Carson passing. When we were at Lake Catoma Carson was quiet, but always had a kind word. It was a pleasure to have known him. You and your family will be in our prayers. God comforts when no one else can.*

“ Carson was a wonderful person and I am so fortunate to have had the honor and privilege to get to know him and his wife Kathy. I was one of the many Nurses that visited him on a weekly basis over the years and It brings a smile to my face as I remember some of our visits. I know sometimes he dreaded seeing me come because I had a way of making him "behave himself" when it came to his health and getting him to go to the hospital or the doctor when he needed to even though he put up a big fuss! Lol. I will miss you Carson.
