“ Billy was like my little brother. Countless summers, holiday weekends, etc. were spent together growing up. I have so many memories of Billy that it would be hard to pick just one. One thing that was consistent was they were always filled with joy. No matter what the situation was, Billy was smiling. He brought a light to the room that was unique and special. He always knew when to say something to make you laugh and had the biggest heart. The love he had for his wonderful wife Candy was endless and he truly found his happiness with her. Anyone that knew Billy knew how much he adored her. I miss you so much and I love you. From your favorite cousin. (I referred to myself as his favorite cousin just about every time we talked so I know this is true.)

“ I always loved going to Billy and Candy's after a long shift at Cracker Barrel. We would all have our Taco Bell or Whatever and go to their apartment off of 278. We'd eat and just wind down. My heart, my prayers go out to Candy and their family. With Love, Lisa Long

GS

“ *My sweetest memory is that he told me how much he loved me every time he saw me. He would tell me I was a mother to him. I loved Billy so much and I am heart broken that he has passed. Bet he's riding a motorcycle in Heaven and smiling down at all of us. He always had the warmest smile.*
