“ Uncle Billy was one if a kind!! He was a gentle soul for sure!! Everyone was welcome at his house and he loved to have people come to visit. If he met a stranger that stranger would be his friend within a minute. Fishing & farming was his true calling in life, both he did very well. He could tell a story that would take too long but he remembered every detail for sure!! Oh, how we will miss him!! RIP SWEET MAN!! We will miss those big hugs from you!!
