“ *The Karns family from Mississippi have been truly blessed to be a part of this wonderful family. Since 1985 they have welcomed us with open arms. We loved Grandma as our own and she will be truly missed by all of us. I don't ever recall a time when she wasn't glad to see our large family show up for days at a time. All the family would gather around us for a famous Ozbolt breakfast. Our hearts are filled with sadness that her time on earth is gone. We look forward to the time when she and Edward meet us in heaven for another glorious reunion. Prayers for strength and comfort coming your way daily. Love you all.*

“ *I always loved being around Bonnie. She was always smiling! Loved how she said Ederd, instead of Edward. They were both fav ppl of mine in the community. Those were good carefree days. I love you all!*
